	time	time	found
heat 1	02.40	<b>04.00</b>	16
heat 2	02.23	<b>06.03</b>	12

**The rule applied was to make the next step the top 15 finishers in each heat**

**Analysis shows clearly that the rule applied to the selection leads to penalize many competitors who have made a good race, but have occurred in batteries composed by many good competitors.**

**It would be appropriate to use a more accurate method for the selection and put it in the rules**
